--------------------	---

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-877-800-5556 for emergency medical treatment advice.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### ON LIVESTOCK

To protect horses from horn flies, house flies, mosquitoes, and gnats, apply a light mist sufficient to wet the surface of the hair.

To control stable flies, horse flies and deer flies, apply at a rate of 2 fluid ounces per adult animal sufficient to wet the hair. Repeat treatment daily or at intervals necessary to give continued protection.

#### PETS

To control fleas and ticks on dogs

**Pre-Treatment Directions –**

- Read entire label before each use.
- Use only on dogs to kill fleas and ticks.
- Do not use on animals under 12 weeks.

**Special Animals –** Consult a veterinarian or call this Animal Poison Control Hotline, 1-800-345-4735 before using this product on debilitated, aged, pregnant, nursing, or medicated animals.

**Adverse Reaction Information –** Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately, or call this Animal Poison Control Hotline, 1-800-345-4735.

**Application Directions –** Start spraying at the animal's head, avoiding the eyes, nose and mouth as you spray. Make sure the animal's entire body is covered including the legs under body and tail. While spraying, fluff the hair so that the spray will penetrate the skin. Make sure spray wets thoroughly. Avoid contact with genitalia.

**Reapplication Directions –** Repeat every one (1) week if needed.

### INDOOR APPLICATION

**PET AREAS:**

To control fleas and brown dog ticks on premises:

**Application Directions –** Thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames, and entire areas of floor and floor covering. Fresh bedding should be placed in animal quarters following treatment. Concurrent treatment of animals is recommended.

**Reapplication Directions –** Repeat every one (1) week if needed.

### CRAWLING INSECTS

Cockroaches, silverfish, sowbugs, ants, crickets, earwigs, grain mites, clovermites, spiders, boxelder bugs, and centipedes. Turn sprayer nozzle to stream position and spray directly into cracks, crevices, and other hiding places along baseboards, hitting as many bugs as possible. Repeat as necessary. Keep about three feet away from walls, fabrics, and furniture.

### FLYING INSECTS

Flies, houseflies, mosquitoes, gnats, Mediterranean flour moths, and small flying moths. Turn sprayer nozzle to spray position. Keep about three feet away from walls, fabrics, and furniture.

### WASPS AND HORNETS

Turn sprayer nozzle to stream position. Spray directly on insects whenever possible. Apply a wet spray after dark when all insects have returned to their nests.

## GARDEN INSECTS ON HOUSE PLANTS AND ORNAMENTAL PLANTS OUTDOORS

Turn sprayer nozzle to spray position. Direct spray so that upper and lower leaf surfaces are contacted.

To control aphids, bagworms, thrips, flea beetles, Japanese beetles, lace bugs, leafhoppers, leafhoppers, leafhoppers, mimosa webworm larvae, plant bugs and whiteflies, use fine mist spray about 18 to 24 inches from infested plants. Use caution on new growth and tender foliage. Repeat treatment as necessary. Avoid spraying plants when temperature exceeds 85°F. Spray when air is still. Avoid heavy wetting.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Store in original container in a cool dry place inaccessible to children and pets. Protect from freezing.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available.

If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

### LIMITED WARRANTY AND DISCLAIMER

The manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use.

**THE MANUFACTURER NEITHER MAKES NOR INTENDS ANY OTHER EXPRESS OR IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WHICH ARE EXPRESSLY DISCLAIMED.** This limited warranty does not extend to the use of the product inconsistent with label instructions, warnings or cautions. Any damages arising from a breach of the manufacturer's warranty shall be limited to direct damages, and shall not include indirect or consequential damages such as loss of profits or values, except as otherwise provided by law.

The terms of this Limited Warranty and Disclaimer cannot be varied by any written or verbal statements or agreements. No employee or agent of the seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
