Colors Water a Beautiful Aqua Blue

CONTROLS ALGAE AND AQUATIC VEGETATION

ACTIVE INGREDIENTS:

Acid Blue 9 15.31%
Acid Yellow 23 1.00%

INERT INGREDIENTS: 83.69%
TOTAL 100.00%

KEEP OUT OF REACH OF CHILDREN CAUTION

See below for additional Precautionary Statements.

READ THE ENTIRE LABEL FIRST.
OBSERVE ALL PRECAUTIONS AND
FOLLOW DIRECTIONS CAREFULLY.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID	
If on skin or clothing:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	
You may also contact 1-800-424-9300 for emergency medical treatment information.	

ENVIRONMENTAL HAZARDS

Shoreline non-target plants (cattails, water lilies) may suffer contact burn if material is accidentally poured on them. Apply this product only as specified on the label. Do not make applications when weather conditions favor drift from target area. Do not apply where runoff is likely to occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

APPLICATIONS

Use in natural or manmade ponds, lakes, fountains, fish farms, fish hatcheries, golf courses and swimming ponds. Water must be under the complete control of the user and have little or no outflow (dye concentration must be maintained). Do not apply directly to streams, or any body of water that may be used for human consumption. Do not apply to water for swimming pools if chlorine is used, as color will degrade.

APPLICATION PROCEDURES

Gordon's Pondmaster® Blue is easy to apply and rate calculations are simplified. Consult the recommended dosage chart for suggested rates.

Optimum results are achieved by applying prior to or early in the growing season when weeds are on the bottom of a body of water or when aquatic vegetation is growing at depths greater than 2 feet. Reapply as needed during the growing season.

Pondmaster® Blue is usually applied directly from the container near the shoreline. However, Pondmaster® Blue may even be applied while ice is still covering a body of water. Pour Pondmaster® Blue on the ice in a circle approximately one yard in diameter. The ice will melt and Pondmaster® Blue will be dispersed into the water beneath the ice.

Physical removal or other aquatic weed control methods may be used before or after applications of Pondmaster® Blue. When using an aquatic herbicide, follow all label restrictions, precautions, and directions for use.

RECOMMENDED DOSAGE RATES

Area To Be Treated	Rate of Pondmaster® Blue	
	1 ppm ¹	2 ppm ²
1 Acre-foot (325,851 gal) ³	1 quart	2 quarts
4 Acre-feet	1 gallon	2 gallons
8 Acre-feet	2 gallons	4 gallons

¹The following weeds are controlled at 1 ppm when growing at depths greater than 2 feet: Chara, Filamentous Blue and Bluegreen Algae, Leafy Pondweed, Spirogyra, Slender Naiad, Watermilfoil (treat early).

²For prevention of Hydrilla tuber production, apply at 2 ppm after an herbicide treatment.

³One (1) Acre-foot is an area comprising 1 Acre, 1 foot deep.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store above 32°F (0°C) to prevent freezing.

PESTICIDE DISPOSAL:

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE: Manufacturer makes no express or implied warranties of fitness or merchantability or any other kind whatsoever, except that the product conforms to the specifications on the label. Manufacturer's sole liability on the warranty is limited, at manufacturer's option to replacement of the defective product or return of the purchase price paid for the defective product. Under no circumstances shall manufacturer be liable for incidental, consequential or special damages. The buyer assumes all risks and liability resulting from the use of this product, whether used singly or in the combination with other goods. Manufacturer neither assumes, nor authorizes any person to assume for it, any other liability in connection with the sale or use of this product.
