# VEGETATION KILLER GRANULES

**Residual Herbicide For Nonselective Kill of Weeds and Grasses with a Single Treatment.**

<b>ACTIVE INGREDIENTS:</b>	
Sodium Chlorate (NaClO <sub>3</sub> )	30.0%
Sodium Metaborate* (Na <sub>2</sub> B <sub>2</sub> O <sub>4</sub> )	48.5%
<b>INERT INGREDIENTS:</b>	21.5%
	<b>TOTAL 100.0%</b>

\*Equivalent to 6.5% boron expressed as elemental boron.

**THIS PRODUCT CONTAINS A FIRE RETARDANT**

**KEEP OUT OF REACH OF CHILDREN  
DANGER-PELIGRO**

See below for additional Precautionary Statements and First Aid.

**READ THE ENTIRE LABEL FIRST.  
OBSERVE ALL PRECAUTIONS AND  
FOLLOW DIRECTIONS CAREFULLY.**

## HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER:** Corrosive. Causes irreversible eye damage. Wear protective eyewear (goggles, face shield, or safety glasses). Do not get in eyes or on skin or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling. remove contaminated clothing and wash clothing before reuse.

## PERSONAL PROTECTIVE EQUIPMENT

Applicators and other handlers must wear:

- Long-sleeved shirt and long pants.
- Shoes plus socks.
- Protective eyewear.
- Chemical resistant gloves made of any waterproof material.

Follow manufacturer's instructions for cleaning/maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry. Do not store near food or feed products. Store out of weather.

## USER SAFETY RECOMMENDATIONS

**USERS SHOULD:** Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

## FIRST AID

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lens, if present, after first five minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF ON SKIN:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or a doctor for treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

Have this product container or label with you, when calling a poison control center or doctor or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

## ENVIRONMENTAL HAZARDS

Do not apply directly to water, to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water used by wildlife and aquatic life, or for domestic and irrigation purposes. Do not apply where runoff is likely or where weather conditions favor movement from target areas. Do not contaminate water when disposing of equipment washwaters or rinsate.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

### Non-Agricultural Use Requirements

The requirements in this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries, or greenhouses.

Keep children and pets off treated area until sprays have dried.

## GENERAL INFORMATION

Gordon's Vegetation Killer Granules is designed for nonselective kill of weeds and grasses with a single treatment. Use for quick knockdown of existing vegetation as well as short season effect in the soil for control of regrowth or new seedlings.

## USE AROUND OR NEAR

Asphalt, Buildings, Concrete, Ditch banks, Fence lines, Gravel driveways, Patios, Picnic areas, Sidewalks/Walkways, Storage yards, Vacant lots, and Wood decks.

**WHEN TO USE:** Use Gordon's Vegetation Killer Granules anytime during the growing season. Weeds and grasses are easier to kill when they are young and growing rapidly.

**WHERE TO USE:** Apply where bare ground is desired. Do not apply near lawns, trees, shrubs, crops, and other desirable plants. Do not treat areas which may be overlaid by roots of adjacent desired growth. Application to these areas may result in injury or destruction of the plant.

**HOW IT WORKS:** When applied as a granule, Gordon's Vegetation Killer Granules is absorbed by the roots causing weeds or grasses to turn brown. Smaller, succulent weeds are affected first. Larger plants will yellow and turn brown at the tips as growth stops. It will take several days before visual signs are noticeable. A residual barrier remains active in the upper soil to control later germinating weeds.

Gordon's Vegetation Killer Granules kills the seedlings, not the seeds. Seedlings will sprout. After they reach 1/2 to 1 inch of growth and the root contacts the soil, it will die. Gordon's Vegetation Killer Granules can be expected to provide 3 to 6 months control depending on soil type and rainfall.

**APPLICATION:** Gordon's Vegetation Killer Granules is ready to use! Apply with a hand-operated spreader, such as a conventional cyclone type spreader, or a power spreader for larger areas. Apply granules uniformly over the area to be treated. The material becomes effective in the soil, followed by rainfall or watering.

	Per 100 Sq. Ft.		
	2 lbs.	3 lbs.	4 lbs.
2 ft. diameter	1 oz.	1½ oz.	2 oz.
4 ft. diameter	4 oz.	6 oz.	8 oz.
6 ft. diameter	9 oz.	13½ oz.	18 oz.

*½ rate can be used when weeds are young and growing rapidly.*

### GENERAL WEED CONTROL

2 LBS. PER 100 SQ. FT.

### PERENNIAL WEED CONTROL

4 LBS. PER 100 SQ. FT.

*Approximately 2½ cups of Gordon's Vegetation Killer Granules equal 1 lb.*

## FOR USE ON NON-CROPPED AREAS

**IMPORTANT:** This material is not selective in action, may be toxic to all types of vegetation, and may render the entire treated area totally or partially unproductive for one or more years. Care should be taken to contain the use of application to the particular area intended to be treated and to avoid its contact with lawns, trees, shrubs, crops and other desirable plants which are not intended to be destroyed or injured. This includes precautions in treating areas which may be overlaid by roots of adjacent desired growth. Careless application of this material, or washing by water runoff to areas where desirable plants are growing or which will be used for later planting may result in injury to desirable plants. Do not drain or flush equipment on or near such areas.

Do not contaminate domestic or irrigation water or waters used by fish and wildlife. Wash clothing and equipment after application. Keep animals off treated area until rainfall has leached all the herbicide into the soil. Mechanical equipment should be thoroughly cleaned after use.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Avoid contact with floor and moisture.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on-site or at an approved waste disposal facility. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** Because of the many varying conditions affecting use and application, such as location, seasonal weather, soil composition and type of vegetation, manufacturer warns buyer that these and other conditions may impair or vary the results or effects of the use of this product. In any event, complete elimination of weeds is not guaranteed. It is advisable to consult your State Extension Service or Agricultural Experiment Station Weed Specialist on specific problems. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label or when used contrary to the directions or instructions herein nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms and assumes all risks of usage and handling except when used or handled in accordance with this label. Neither manufacturer nor seller makes, and their employees and agents are not permitted to make, any representations or warranties, express or implied by law, not specifically set forth herein.

**DISCLAIMER:** Manufacturer warrants only that the material contained herein conforms to the chemical description of the label and is reasonably fit for the use therein described when used in accordance with the directions. It is impossible to eliminate all risks associated with use of this product. Injury to desired vegetation, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other minerals, soil conditions, or the manner of use or application, all of which are beyond consequential commercial damages, such as loss of profits or values of any other special or indirect damage. Manufacturer makes no other expressed or implied warranty, including any other express or implied warranty of FITNESS or MERCHANTABILITY.
